REACT

SitePoint is a hub for web developers to share their passion for building incredible Internet things. Founded by Mark Harbottle and Matt Mickiewicz in 1999, Site-Point is for web professionals, by web professionals: developers, designers, programmers, product creators and entrepreneurs alike.

We love our rich and engaged community and our contributors, who are truly leaders in their field.

OUR AUTHORS

Each SitePoint Anthology is a carefully curated collection of the best SitePoint writing around a chosen topic. That means you can be sure each chapter industry relevant, up-to-date and written by a world expert in their field.

We know you'll enjoy every page.
